AND THE FLOATING EXPERIMENT

OK, TO BEAT TODAY'S TRAFFIC WE NEED CARS THAT FLOAT.

SO FIRST LET'S SEAL ONE UP...

... WITH TAPE, OR KIT OR SOMETHING ...AND TRY IT IN THE RIVER.

I TAPE THE CAR FROM TOP TO BOTTOM.

NOPE. KIT IS PROBABLY BETTER.

YOU – GET YOUR HANDS OFF MY CAR!

OOPS! PROBABLY TIME TO TEST AUTOMOTIVE SEALS.

THIS SARLINK STUFF LOOKS GOOD
